

Shower with ease, comfort & security.

Now available in Teak Wood & Walnut.

Life Line continues with innovation into a designer world of exquisite Teak Wood & Walnut shower seats. South American teak wood & Walnut paired with a stainless steel framework, truly depicts the beautiful style of our CONTOUR SEATS. Our craftsmen hand select the Teak Wood & Walnut to ensure that the beauty of the seat remains throughout.

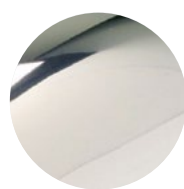

The **CONTOUR SEAT** is designed using the worlds most durable and most luxurious materials.

The stainless steel frame has been carefully crafted so that every line is smooth and subtle. Each component has been painstakingly developed to keep beauty and esthetics at the forefront. Furthermore these stainless steel frames are available in all of the Lifeline finishes. Allowing you to pair with other Lifeline items will assist in keeping your bathroom clean and consistent.
